Dear deneral Shoup:

Hembers of this Agency recently had eccesion to call upon various personnel in your organisation in support of a classified project of which you are aware. They responded to requirements in a very effective and praiseserthy manner in the interest of the proposed operation. Various phases of the mission and subsequent deactivation could not have been completed without this excellent support.

Some of these personnel, listed on the attenuent, particularly deserve recognition for their outstanding performance and you may wish to have this reflected in their records without indicating association with this agency.

I would like to extend to you my sincere appreciation for this cooperation.

Sincerely, SIGNED Allen W. Dulles Director
